

Le Havre, France  
May 27, 1937

Dear P. J.  
I couldn't get to Paris but  
Le Havre is a good substitute.  
Walking through these narrow  
streets up to the bluff I  
almost expected to see the  
Three Musketeers come gal-  
loping toward me. Hope  
you and Ann & the chil-  
dren are all well. Be  
seeing you soon.  
Best of everything,  
Bill
