Pitcairn Islands Mailboats

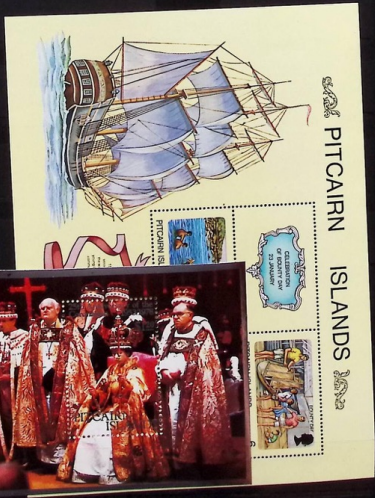

HMS 'Serpapam'. A 46-gunner, under command of Captain W. Wakehouse, she carried the first ever letter from Pitcairn Island. The letter, dated 17 March 1830, was the Captain's own account of his visit to the island.

RMS 'Athens'. A steamer of 1244 tons, built in 1867, owned by the White Star Line and Star Line, and for 22 years she operated in the letter's New Zealand service, before serving as a whaling ship until 1962.

The 'Pitcairn'. A Missioner schooner built by the Seventh-Day Adventist Society, and launched in 1930 at Santa California. For ten years she conveyed mails between Pitcairn Island and San Francisco.

SS 'Gothic'. Built in 1943, she subsequently served as the Royal Yacht during the Queen's Commonwealth tour in 1954. Later she and her sister ship the 'Ceramic' sailed the Star Line Line, were regular callers at Pitcairn until 1965.

Pitcairn Islands

- 1) The mails are loaded from the supply-ship into the longboats, ready to go ashore.
- 2) From the Landing, the mails are conveyed by 'Flying Fox' to the Edge, some 400ft up.
- 3) A tractor transports the mails from the Edge to the village of Adamstown...
- 4) ...where they are off-loaded in front of the Post Office in the Square, to be sorted.

Handbuilt and seaworthy, carrying up to twenty people, these boats have been used for centuries to transport goods between the islands and other parts of the world. They are also used for fishing and for carrying mail. The first longboat was built in 1790 and the last in 1910.

Longboats and Longboats, arriving at Pitcairn Island, 1789. The mutineers, led by James Cook, arrived on the ship the Bounty, which was carrying the mutineers and their families. The ship was captured by the British and the mutineers were taken to Pitcairn Island. The ship was then used as a base for the mutineers and their families. The ship was eventually wrecked and the mutineers and their families were stranded on Pitcairn Island.

Dear Mr. Descheemaeker,

I am sorry for the very long delay in sending you the local post covers, but since you wrote your letters dated Febr. 28 and March 12 in the French language I can not understand your wants. I have tried to find someone who could translate them for me, but very few people here know your language, so I have failed in this.

I am therefore sending you some genuine used covers for your balance and I will send you covers for more than your balance because you have had to wait so long for the reply. All Swedish local stamps and covers are going up in price very fast now, but you will have the covers to the old prices. Hope you like them!

If you still want the mint stamps from your want list please let me know. You may as well send me a new want list if you wish, but please write to me in English language.

Wishing you a Happy New Year 1980.

Best wishes

Bo Olsson
